SUPPORTING VETERANS

Bravery Trek is a national physical challenge event held during the lead up to Veterans' Health Week (October) each year. It combines both in person and virtual distance challenges meaning anyone can join anywhere. Run, swim, cycle, paddle, wheelchair or push a pram - all participants help reach more veterans who may need support and those who can refer a friend.

Join us for Exercise Pitch Black Friendship Run and be part of the team that supports veterans.

## SUPPORTING THOSE WHO SERVE

As a symbol of our mutual friendship and for the support of our mission, every Exercise Pitch Black Friendship Run participant will be awarded one of our limited edition Exercise Pitch Black Challenge Coin and T-shirt.

Ill-health and injuries can leave both visible and invisible scars. Financial circumstances can be complex especially for those who have limited earning capacity due to illness or injury, when life presents surprises such as a car breaking down, a large unexpected bill or sick children. Bravery Trust provides a financial safety net in times of crisis.

We also work longer term to empower people through our veteran-specific Financial Counselling Service and deliver preventative financial literacy programs to reduce and avoid the trauma of hardship.

Your support impacts both the immediate needs of those in crisis and the longer term mentoring and education programs provided by Bravery Trust.
